Quick Submission Checklist

Thank you for choosing PCC for your submission. To ensure that your manuscript advances as efficiently as possible through the submission and peer review process, we recommend you complete this quick checklist to avoid delays.

☐ Does your submission follow PCC manuscript requirements?

☐ Does your submission include the required manuscript components as they pertain to your article type?

☐ Does your manuscript follow PCC style for reference citation?

☐ Is supplementary material prepared as one file in PDF format?

☐ Are direct funding and financial relationships related to your submission clearly stated in your manuscript?

☐ Have you reviewed PCC guidelines for Open Access and Free Access publication to ensure these options are in accordance with the terms of your funding?

☐ Are all components of your manuscript original to your submission? If any items (eg, graphic elements, questionnaires, rating scales) are reprinted from a copyrighted source, permission from the copyright holder to reprint or adapt them must be included with the submission.
